THE BEST OF BOTH WORLDS

TAFE QUEENSLAND HAS PARTNERED WITH SOME OF AUSTRALIA'S MOST PRESTIGIOUS UNIVERSITIES TO PROVIDE SEAMLESS PATHWAYS FROM OUR DIPLOMAS INTO THEIR DEGREE PROGRAMS. BEING ABLE TO LEARN INDUSTRY-RELEVANT, PRACTICAL SKILLS AT TAFE QUEENSLAND AND TRANSITIONING INTO A BACHELOR PROGRAM WITH ADVANCED STANDING IS TRULY "THE BEST OF BOTH WORLDS".

ARTICULATION ARRANGEMENTS

TAFE Queensland's articulation arrangements adhere to the Australian Qualification Framework Qualifications Pathways Policy section 2.2.

TAFE Queensland students can be assured that their desired pathway from diploma to degree meets exacting standards and has the support of both TAFE Queensland and their chosen university.

ARTICULATION BENEFITS

Students are able to progress from a completed qualification to another with admission and/or credit in a defined pathway. This means that TAFE Queensland graduates are able to commence their degree at an advanced stage and reduce the amount of time required to complete their degree.

In most cases, doing a TAFE Queensland diploma will take one full year off the degree program. When you consider the average annual cost of a TAFE diploma versus the average annual cost of a degree, students can save thousands of dollars.

ARTICULATION EXPLAINED

Articulation arrangements are the result of months of hard work between TAFE Queensland teachers and university lecturers. They use their professional judgement to take into account a students' likelihood of successfully achieving qualification outcomes whilst ensuring the integrity of both courses is maintained.

All aspects of the TAFE and university course are closely examined by a specialist team to ensure that both courses are linked and the amount of credit is agreed to by both sides. Once the content of both courses is aligned an articulation agreement is entered into in writing.

This process is repeated every few years to ensure continuous improvement and re-alignment takes place.

CHOOSING YOUR PATHWAY

The following guide details all TAFE Queensland international courses that have defined pathways. A single TAFE Queensland diploma may have multiple degree options. Our Diploma of Event Management, for example, has 8 pathway options between 6 university partners.

It will be your job to research each option to select the degree program that best suits your career goals as each will have a different area of specialisation, electives, university campus location and fee structure.

THE TAFE QUEENSLAND EXPERIENCE

International students come to TAFE Queensland to get practical skills training before moving onto to a more theory-oriented degree.

TAFE Queensland students are immersed each week in one area of study with small practical assessment tasks. In comparison, at university you have limited contact hours, study a broad range of subjects and tackle large assignments like essays and reports.

TAFE Queensland students are able to work on and improve their English and academic skills in small class settings with a lot of student support. This means that TAFE Queensland graduates are ready and prepared for the challenges of taking on a university degree. We truly give you a pathway to your future.

UNIVERSITY PATHWAYS

UNIVERSITY PARTNERS

TAFE Queensland has partnerships with some of Australia's top universities, which can help you plan out your study pathway before you arrive in Australia. The added benefit of combining your diploma and university studies is that you can start working straight away using your diploma skills, while finishing your degree.

TAFE Queensland graduates are eligible for credit transfer that can save up to a full year off your university degree.

Our partnerships with top universities mean you will graduate with a prestigious university degree, as well as the hands on skills of a TAFE qualification, delivered in a practical, job-focused training environment. You will graduate ahead of the pack with academic knowledge backed up by real-world skills.

APPLYING FOR A PATHWAY

APPLYING FOR A DEGREE PATHWAY IS A MULTI-STAGE PROCESS INVOLVING AN APPLICATION TO TAFE QUEENSLAND AND A SEPARATE APPLICATION TO ONE OF OUR PARTNER UNIVERSITIES.

Depending on your nationality you may need to apply through one of our authorised Education Agents. It is important to check that your TAFE Queensland agent is also an authorised agent for the university you wish to attend.

If your agent is not listed on the university's website, then they will not be able to submit an application on your behalf.

If your applications are accepted, you will receive two (2) Letters of Offer. Once the conditions of both Offers are met you then receive two (or more) COEs (Confirmation of Enrolment). These will then form part of your student visa application and result in a single visa for the entire duration of your studies in Australia.
