More Than Education

Guided by our "Education-plus" philosophy, we offer multiple academic disciplines beyond the field of education. The learning experience is enriched as students interact with peers from diverse backgrounds.

- Creative Arts & Culture
- Humanities & Language Studies
- Social Sciences
- Science, Technology & Sports
- Teacher Education

Higher Diploma (HD) and Senior Year (SY) students can also take an elective at the next-degree level, such as an undergraduate course for HD and a master one for SY, to get a taste of more advanced studies and explore your interests.

Create Your Own Path

At EdUHK, you can enjoy the flexibility and freedom to personalize your journey with a variety of learning experiences and study options, based on your interests and aspirations.

- Second Major / Minor / Electives
- Overseas Learning Opportunities
- Internships / Field Experience
- General Education
- Language Enhancement

Go Global

Over 60% of our undergraduates have at least one non-local experience — one of the highest among universities in Hong Kong. You can apply for financial support, up to HK\$10,000, for these global engagements.

TO PROFESSION

The Future of Learning

EdUHK has been at the frontiers of global education. Next-gen technologies such as AI, VR/AR, 3D-printing, blended learning, and mobile computing, are all part of your learning experience.

We also work closely with Microsoft Hong Kong to integrate AI elements into Bachelor programmes in the Department of Mathematics and Information Technology.

For aspiring entrepreneurs, we offer seed grants and various means of support with our Entrepreneurship Fund for EdTech and Social Innovation to help you start up your ventures.

Class of 2021

Bachelor of Arts in Creative Arts and Culture

Member of Winning Team at Hong Kong VR Rehabilitation Game Design Competition

“**Technology is reshaping how we study and work.**”

Using what I learnt from classes such as Unity coding, VR design skills and AI applications, I designed Brainland with our team to help the elderly and people with disabilities resume normal life through VR rehabilitation training.

Bachelor of Education (Secondary) -
Information and Communication
Technology

“ **I have become a more confident and effective teacher after the Field Experience.**

I was assigned to a placement school during the COVID-19 pandemic, when virtual classes were still new to most people. To keep students engaged online, I implemented trending topics, such as video games, into my teaching materials and was delighted to see it work!

”

Kiki Leung
Class of 2022
Bachelor of Education -
Business, Accounting &
Financial Studies

“ **My professors have taught me how to be a great educator.**

They inspire me to be a teacher who strives to make students understand, instead of just memorizing, what they learn. To prepare us for our teaching practice, they invited the senior students to share their experience and advice during the field experience.

THE EDUHK EXPERIENCE

You will enjoy a vibrant university life, pursuing your passions, joining different activities, and living on campus, while making lifelong friends in our cohesive and supportive community.

Our Campus

Our newly renovated classrooms are equipped with advanced learning technologies, and easily accessible common / study areas, to provide a great hub for you to learn and mingle with your classmates. A few minutes' walk will take you to the swimming pool, gym, and other sports facilities where you can unwind after class.

Student Halls & U-Shuttle

We provide around 2,200 residential places in our on-campus student halls. All full-time Government-funded undergraduate students have an opportunity to stay at one of the halls. You can easily travel to our Tai Po campus, from the University Station (East Rail Line), in 15 minutes using university shuttle buses.

Roxanne Au
Class of 2022
Bachelor of Social Sciences
in Psychology

I have many fond memories of my stay at the student hall.

I became friends with both EdUHK students and exchange students from Germany. We had dinner and parties together and it was refreshing to learn about another culture. The hall experience also helped me to be more independent and collaborate with fellow students in daily life.

APPLY TO EDUHK

Our undergraduate programmes admit students from diverse backgrounds, through different admission pathways. Those with outstanding potential can apply for scholarships and nomination schemes to join EdUHK.

Nomination Schemes

Students with exceptional performance in music, sports, STEM, visual arts, leadership, or social services, can apply for special admission through our nomination schemes. Successful nominees will be granted priority of admission, a conditional offer, or even a firm offer, depending on the scheme.

Scholarships

We offer a wide range of entrance scholarships to applicants with outstanding academic or non-academic achievements, who are committed to making a positive impact. EdUHK students can also apply for various scholarships offered by the University during their studies.
